*Want Something*  
*Challenging?*

## **Have We Got an Opportunity for You!**

**The HIRED! Apprenticeship Program is an opportunity for youth, ages 15 to 18, to receive real-world career experience and the best part is you get PAID (a stipend). You will develop job skills, customer service skills, and receive tools to make you competitive in future job opportunities, college applications and life in general. There are a wide-variety of positions available.**

**If this is a program that interests you, please contact me at the number below. Spaces are going quickly, so do not hesitate!**
