

Child, Youth & School Services Registration Checklist

Before an appointment is scheduled, come by CYS Services Central Enrollment Office Building # 1518 for a Registration Packet. Packets can also be downloaded from our website at: www.mwrfortcarson.com/cyss-central-registration.php. Please fill out the Health Screening tool and turn it in at this time to expedite the registration process. If you answer yes to any of the Health Screening tool questions numbered 1 – 17, a review is needed by our Public Health Nurse. Then, at this time, they will determine if a SNAP is needed by the APHN and the ACS EFMP Office. Once the determination is made that a SNAP is needed, you will be contacted. The whole process could take up to 30 days. Appointments can be made after this process has been completed. This will ensure that your child's health needs are met while in CYS Services Programs.
